### **Christian Action League Notification**

Christian Action League Friends and Donors,

With great sadness this notice comes to inform you that the Board of Directors have recently made the difficult decision to end the work of this ministry. For many years the Christian Action League has been a bulwark against the evil that has threatened the cause of Christ, families, and the citizens of the great state of North Carolina. Often the League has stood alone against the onslaught of wickedness that dare rear its ugly head through public policy matters in the N.C. Legislature. The league, represented by its Executive Directors, has fought valiantly for the cause of Christ. Many times the league has stood against the tsunami that dare crash against the shores of this beloved state and many successes have been rendered for the glory of God, such as abortion limitations, alcohol policy education, and medical marijuana refuted. However, not all battles waged have been won. Abortion is still legal, alcohol policies continually challenge us, medical marijuana is still in hot pursuit, and many other ills threaten to undo our beloved home.

Throughout the years of this ministry the Lord has graciously provided. Most years have been a complete walk of faith and the League has often seen deficits. With the consideration of all matters at hand in the present, the Board of Directors has come to the most difficult determination that it is time to defer this work to other organizations that have a similar cause and solvent finances rather than continue to work in financial arrears.

Would you consider sending us a onetime donation to help us pay all our responsibilities and close out this work in the most honorable manner for the sake of Jesus Christ our Lord! We are called in scripture to maintain a good name (Proverbs 22:1). We will receive contributions through September 30th. Any donations received that are postdated by that date will be deposited and used to satisfy any outstanding obligations. All other funds received will be returned to the sender.

Thank you, from the bottom of our hearts, for being a co-laborer in this ministry. Only Heaven will bear the fruit of the immense labor that has been rendered for the cause of our Lord Jesus.

In Christ Service,  
Christian Action League  
Board of Directors
